PRODUCT AND BUYER FOCUS

Prepared for makhana, pantry products, and structured buyer enquiries.

- Roasted makhana retail pouches and gifting packs
- Bulk makhana cartons and sample support
- Private-label makhana discussions after buyer review
- Masala, poha, whole spice, and pantry bundle pages
- Wholesale, distributor, hotel, gifting, and export enquiry flow

BUYER PROCESS

Simple path from enquiry to quote.

1. Buyer shares market, product interest, quantity, and sample requirement.
2. BandEvi reviews pack size, MOQ, destination, and private-label needs.
3. Written quote, packing details, payment terms, and shipment timeline are confirmed.
4. Documents are shared only after owner-approved verification.

TRUST DOCUMENTS CHECKLIST

Documents to attach as the buyer file matures.

Business records

GST, legal entity name, registered address, bank details, and official buyer contact.

Food compliance

FSSAI, ingredient declaration, nutrition facts, allergen notes, shelf life, and product label proofs.

Export readiness

IEC, packing list, invoice format, HS code review, destination rules, and shipment terms.

Quality proof

Lab reports, COA, batch records, packing photos, and sample approval records after verification.

CLAIM POLICY

The net worth, staff, and office figures are used carefully.

INR 8,000 Crore+ estimated group business strength / net worth, 1000+ professional employees, and 26+ office presence are presented as sister-company ecosystem strength from The Holidays Group public profile. Standalone BandEvi Gourmet Export registrations, product claims, certificates, lab reports, financials, and office ownership should be published only after owner-approved records are available.
