

INTERNATIONAL PRODUCT BRIEF

Makhana and Indian pantry products for serious buyer conversations.

BandEvi Gourmet Export is a buyer-enquiry route for roasted makhana snack packs, bulk fox nuts, Indian pantry products, sample cartons, gifting, and private-label discussions. Final product availability, price, MOQ, documents, payment terms, and shipping terms are confirmed only in a written quote.

Core product conversations

Roasted makhana snack packs Classic, peri peri, pudina mint, jaggery caramel, and other retail snack-pack discussions.	Bulk makhana / fox nuts Sample cartons, bulk cartons, distributor supply, and monthly-volume conversations.
Indian pantry extension Masala powders, poha, whole spices, bundles, and mixed product range discussions.	Private label and gifting Artwork, barcode, ingredients, destination labels, MOQ, approval timeline, and gifting packs.

What to send for a useful quote

- Business name, buyer type, country and city, sales channel, and destination port or city.
- Product range, preferred pack format, flavor mix, estimated volume, and timeline.
- Sample requirement, label requirement, document checklist, and preferred quote basis.
- Any destination-specific ingredient, allergen, barcode, shelf-life, or import requirement.

Commercial process

- 1. Buyer sends requirements through the international buyer desk or wholesale enquiry.
- 2. Export desk reviews product, pack, volume, label, market, and document needs.
- 3. Buyer receives a written commercial response covering only confirmed details.
- 4. Samples, approval, payment, production, shipping, and delivery steps follow the agreed written terms.
